# RIG RUN 2022

26TH JANUARY – 9TH MARCH

---

The global annual fitness event is back for its tenth year. This year as you earn points competing against offshore sites, you can take giant strides to help us collect and recycle plastic from our oceans. Ocean Bottle is one of several ethically sourced prizes we have on offer. Read about this fantastic initiative at [www.oceabottle.co](http://www.oceabottle.co)
